

OT LONDON FEES / CHARGES

Screening Assessment	£160
<p>This assessment is primarily for parents with children who may or may not have mild difficulties, and are unsure about whether Occupational Therapy is required. It is a 1 hour clinic based assessment to rule out or confirm the need for further intervention. The price includes an additional 15-minute discussion.</p>	
Full Assessment	£250
<p>This assessment aims to identify underlying sensory / motor difficulties that affect a child's participation and performance. This assessment is usually required at a stage where the parent is clearer about the difficulties the child is experiencing or following recommendations or referrals from professionals who know the child. This is a approximately a 2 hour assessment and is a pre-requisite for any of our standard reports. It is the basis for an intervention plan. There is a 20-30minute discussion following the assessment about the main findings.</p>	
Full Assessment with report	£440
<p>This report describes in detail the child's strengths and weaknesses as found in the assessment, explains the terminology, gives detailed recommendations and can be used for schools, local authorities and to provide information for other professionals involved with the child's development. It is a 7-9page report.</p>
